COAST TIE DOWN RANGE

200-08019 COAST PREMIUM AWNING TIE DOWN KIT

The ultimate tie down kit to keep your awning safe and secure! It can help prevent damage to your awning caused by high winds and comes with screw-in-pegs that can quickly be driven into the ground with ease thanks to the Power Drill Adaptor Socket.

Includes:

- > 2 x Large Alloy Screw In Peg 300mm
- > 2 x ABS Guy Rope Holders
- > 1 x Alloy Screw In Peg Power Drill Adaptor Socket 17mm
- > 2 x Reflective Glow Guy Rope with Spring and Runner
- > 2 x Tie Down Awning Clamps Stainless Steel

300-01200 LARGE ALLOY SCREW IN PEG WITH ABS GUYROPE HOLDER CLIP

- > The screw action grips into the soil for a safe and secure guy rope tie down point
- > Comes complete with a guy rope holder clip to tie down your awning quickly and easily
- > Designed to suit the Power Drill Adaptor Socket (sold separately) that allows the screw to be quickly driven into the ground with ease

300-01209 ALLOY SCREW IN PEG POWER DRILL ADAPTOR SOCKET

- > Designed to suit large alloy screw in pegs
- > Power Drill Adaptor Socket 17mm

300-01210 STD GUY ROPE SPRUNG WITH ALUM HANDLE - 2.6M

Complete with aluminium handle and heavy-duty spring, these guy ropes will keep the tension on awnings, gazebos, tent poles etc.

- > 6mm rope 2.6m long
- > Heavy duty spring
- > Aluminium runner

300-01212 REFLECTIVE GLOW GUY ROPE SPRUNG WITH ALUM HANDLE - 3.5M

No more tripping and stumbling around the campsite at night with this reflective glow in the dark guy rope.

Complete with aluminium handle and heavy-duty spring, these guy ropes will keep the tension on awnings, gazebos, tent poles etc.

- > 6mm Reflective glow in the dark rope 3.5m long
- > Heavy duty spring
- > Aluminium runner

300-01220 PAIR OF ROLL OUT AWNING TIE DOWN CLAMPS

Protect your roll out awning in all conditions with these stainless-steel tie downs.

Simply fit over each end of the roller and locate the rear of the awning groove, add your guy ropes to the loops and secure to the ground.

GLO-X POWERLESS ILLUMINATION

Glo-X offers 'powerless illumination' and has been developed using the latest in light recycling technology. Due to its unique properties, Glo-X is ideal for use in areas where power is not readily available, but illumination is required.

300-01451 GLO-X 60MM ROUND MARKER

Glo-X Round Markers can be used for a wide range of applications including trailers, caravans, driveways, night guidance, fishing, boating, camping, post marking and safety markings. Easily attachable by a screw, rivet or bonding.

The Round Markers charge quickly with any form of powered or natural light and then illuminate for 10+ hours depending on light conditions. Applied to stairs or hidden obstacles during low light periods or in the event of a power failure. A Round Marker can add a personal touch of illumination to many products that will set you apart from others.

FULL LUMINANCE EFFECT IS BEST ACHIEVED IN TOTAL DARKNESS.

Applications

- > Trailers
- > Guy rope tent peg marker
- > Driveway / letterbox marker
- > Night guidance
- > Fishing, boating
- > Camping
- > Post marking
- > Hazard safety marking

Specifications

Diameter: 60mm
Thickness: 4mm
Centre Hold Diameter: 5mm

300-01452

GLO-X 100MM STRAIGHT MARKER

Glo-X Straight Markers can be used for a wide range of applications including trailers, caravans, driveways, night guidance, fishing, boating, camping, post marking and safety markings. Easily attachable by a screw, rivet or bonding.

The Straight Markers charge quickly with any form of powered or natural light and then illuminate for 10+ hours depending on light conditions. Applied to stairs, uneven surfaces or at gradient changes, as well as rope hazards during low light periods or in the event of a power failure. A Straight Marker can add a personal touch of illumination to many products that will set you apart from others.

FULL LUMINANCE EFFECT IS BEST ACHIEVED IN TOTAL DARKNESS.

Applications

- > Trailers
- > Camping guy rope tensioner
- > Caravan step marker
- > Driveways
- > Night guidance
- > Fishing
- > Boating
- > Post marking
- > Hazard safety marking

Specifications

Length: 100mm
 Height: 25mm
 Thickness: 7mm
 End Hole: 4mm

300-01457

GLO-X 42MM ZIP MARKER 4PK

Glo-X Zip Marker will charge quickly with any form of powered or natural light and then illuminate for 10+ hours depending on light conditions.

Glo-X Zip Markers can easily connect to an existing zip. With a wide range of applications available including tents, backpacks, sleeping bags and clothing, this zip marker is essential for use when locating a zipper in a low level light situation as well as being a powerless long lasting personal safety indicator. The Glo-X Zip Marker will charge quickly with any form of powered or natural light and then illuminate for 10+ hours depending on light conditions.

FULL LUMINANCE EFFECT IS BEST ACHIEVED IN TOTAL DARKNESS.

Applications

- > Easily clipped onto an existing zip
- > Ideal for use when locating tent zips
- > Perfect for backpacks, clothing and sleeping bag zips

Specifications

Length: 40mm
 Height: 10mm
 Thickness: 5mm

300-01456

GLO-X 90 X 55MM SIGN TILE MARKER

Glo-X Sign Marker is easily locatable and encourages way finding and identification in low light situations. The size of a business card, this marker can be personally formatted into any symbol, wording or signage. Can be used for a wide range of applications including caravans, trailers, driveways, night guidance, fishing, boating, camping, emergency and personal identification, instructions and safety markings. The Sign Marker comes with a black marker pen to enable you to personalise the use and application of the signs.

FULL LUMINANCE EFFECT IS BEST ACHIEVED IN TOTAL DARKNESS.

Applications

- > Address and name marking
- > Emergency equipment location marking
- > Personal notes
- > Hazard awareness
- > Preventative signage

Specifications

Dimensions: 90 x 55mm
 Thickness: 2.5mm

PALM PRODUCTS

Marc Newson Tritan Drinkware Collection

The Marc Newson Tritan Drinkware Collection is the result of a collaboration between designer Marc Newson, described as the most influential designer of his generation and the engineering and production skills of Robert Wilson and his team at Palm Products.

Their objective was to create the world's finest range of unbreakable drinkware which boasts the following features:

- > Guaranteed unbreakable and dishwasher safe for 10 years in private use and one year in commercial use.
- > Superior dishwasher stability - the drinkware will not crack, break, scratch or go grey and will resist staining.
- > Non-slip base aids stability and acts as a coaster, protecting surfaces.
- > Stable, shorter shapes with well-weighted, wide bases.
- > Tumblers stack securely, saving space and preventing damage.

THE PALM CAFFE CUP

The Palm Caffe Cup has a beautiful, tactile design and many distinctive features:

- > A leak-proof lid which clicks open and closed with a simple push.
- > The lid has a ceramic feel and both the cup and lid area are made from a non-absorbent material eliminating stains and odours.
- > A handy window showing how much is left in your cup
- > The cup and lid click apart for easy and thorough cleaning.
- > Dishwasher and microwave safe.
- > Allows a natural drinking action- the lid allows the liquid to flow as it would from a cup and has a wider opening for other contents such a soup.
- > Non-slip base and low centre of gravity for stability.
